CLASS MOTTO – So often do the spirits of great events stride on before the events, and in today already walks tomorrow.

Class Song

We are truly grateful to New Oxford High.
Parting its halls where fond memories lie.
We stand together, proud of her name
Alma Mater, our moor, our claim.

Friendships forever are bound in these walls.
Passing its boundaries, leaving its halls.
Strengthens our willing, maintains our praise,
Engenders good feelings, leaving her days.

Coursing our futures, plotting the way,
Thoughts reoccuring of moments so gay
Lighten our passage, recall to mind
A school we have cherished, always mine.
